

**NEW HAMPSHIRE
WEST ROCKINGHAM
AMATEUR RADIO EMERGENCY SERVICE**

Pro-words for Emergency Communication

- **AFFIRMATIVE**
"Yes" or "I agree" or "Permission granted"
- **BREAK**
you have emergency traffic that must be passed immediately
also refers to marking the start of text and end of text in a message
- **CHECK BREAK**
you are pausing to verify that the receiving station has copied your message.
An appropriate response from the receiving station would be "COPY."
- **CLEAR** or **OUT**
your transmission is completed and no answer is required or expected
- **CLOSE**
you are shutting down your station and can no longer be contacted
- **COPY THAT** or **ROGER**
you have received the transmission satisfactorily
- **CORRECT**
you acknowledge what was transmitted as correct
- **CORRECTION**
an error has been made and the transmission will continue with the last word correctly transmitted
- **DECIMAL**
indicates a decimal point.
- **DISREGARD**
an error has been made in the transmission that is in progress and you are to completely ignore this transmission
- **END**
signals the end of message
- **FIGURES**
that the following words are to be copied as numbers.
- **I SPELL**
you will spell the following word(s) phonetically.
- **I SAY AGAIN**
indicator of repeating a group or groups for clarity
- **NEGATIVE**
"No" or "I disagree" or "Permission denied."
- **NO MORE**
Indicates no additional traffic to follow
- **NUMBER**
Begins message copy and refers to message number
- **ONE MORE, TWO MORE**
Indicates additional traffic to follow

Revision 1.0 12/04/2003

**NEW HAMPSHIRE
WEST ROCKINGHAM
AMATEUR RADIO EMERGENCY SERVICE**

- **OUT** or **CLEAR**
your transmission is completed and no answer is required or expected
- **OVER**
you are finished with your transmission and the other station is expected to reply
- **ROGER** or **COPY THAT**
you have received the transmission satisfactorily
- **SAY AGAIN**
you want the last message to be repeated. You may include a modifier to have part of a message repeated, as in the following examples:
"Say again ALL AFTER _____"
"Say again ALL BEFORE _____"
"Say again WORD AFTER _____"
"Say again WORD BEFORE _____"
- **STANDBY** or **WAIT**
you are not yet ready to copy. You may include a time modifier, such as "Standby one"
- **THIS IS**
the transmission is from the station whose call sign follows. **WAIT** or **STANDBY**
you are not yet ready to copy. You may include a time modifier, such as "Standby one"
